

You Can Share the Habitat with Wildlife!

Share the Habitat!
Around the world
& in your backyard

TAKE ACTION!

Bring your checklist to Zoomazium or the ZooStore for a cool animal sticker!

- Come to a keeper talk or other zoo program.
- Drink shade-grown coffee at the zoo. ☕
- Eat ocean-friendly seafood at our new Pacific Blue Chowder House! 🍷
- Find out how to bring wild birds into your backyard at
 - a raptor flight program
 - or Willawong Station.
- Donate to our global wildlife conservation programs. 🌍
- Take the "Habitat Pledge" at Zoomazium.
- Choose "conservation commerce" items at the ZooStore to help protect animals globally.

Visit www.zoo.org/sharethehabitat for more tips.

presented by 

Experience amazing animals up-close and take action to help save their wild homes! You'll get the inside scoop on what the zoo is doing to help people and animals share the habitat around the world and learn simple ways to care for animals right in your backyard.

Print off this Action Checklist and bring it to the zoo on your next visit. Mark off as many items as you are able to do and bring it into Zoomazium to get a free Share the Habitat sticker!
