- Camera to capture special memories (ask instructors where flash photos are permitted)
- Please feel free to bring snacks or additional food items for your group. Special diets are the responsibility of individual program attendees. Fee adjustments cannot be made for individuals on special diets.
- It is recommended that Living Wild! program participants also bring a sit pad or camping chair (for use as outdoor seating on concrete or on bark around campfire pit)

Overnighters Should Bring:

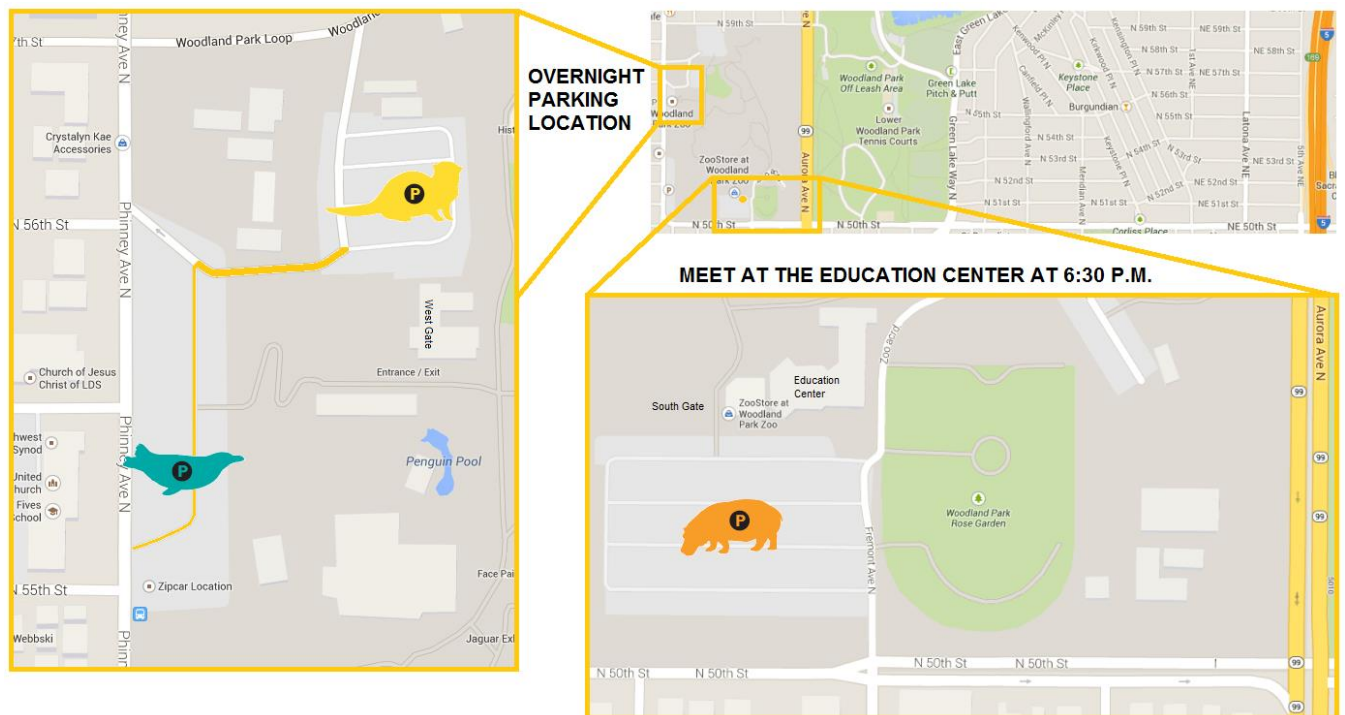

- Sleeping bag, pillow, and sleeping pad (please note: your group will be sleeping on the floor)
- Toothbrush and toothpaste
- Pajamas
- A flashlight (for use after lights-out to find the restrooms if needed, not on tour around grounds)
- Earplugs (optional- for your comfort if you are bothered by others snoring)

Prohibited Items:

- Light up or blinky shoes- these can startle animals and hurt eyes at night. Duct tape will be provided to cover any lighted shoes.
- The use or possession of alcohol or drugs is not permitted during any Zoo Adventure.
- The zoo is a non-smoking facility. Smoking on zoo grounds is prohibited. This includes the use of e-cigarettes and vaporizers.

ARRIVAL AND PARKING

- Where/when do we meet our Zoo Adventures instructors?
 - You will meet at 6:30 p.m. at the Education Center as shown on this map highlighting the SE corner of the zoo. You may park in the Hippo (South) Parking Lot. Directions may be found by following this [link](#).
 - Park as close to the Education Center as possible to unload your gear.
 - After dinner, you will be moving your cars to the Otter (Inner North) Lot at the NW corner of the zoo. This is a secure, overnight parking facility and parking in this location is included at no cost during the program.
 - For those wishing to take advantage of the free admission to the zoo the day after your Overnight Adventure, you can park in any of the zoo's parking lots in the morning and pay \$6 at a kiosk or move your cars to street parking.

Security Cell Phone Number (in case you get lost): 206.295.0078

- When do the programs start and end?
 - Overnight Adventure Program: 6:30 p.m.-9:30 a.m. the following morning
 - Evening Adventure Program: 6:30 p.m.-approximately 10:00 p.m.

- What if I arrive late?

Late arrivals are disruptive to the program and other participants. Therefore, we strongly urge everyone to arrive on time.

If you do arrive late due to an emergency, call zoo security at 206.295.0078. The Security Officer will make arrangements to meet you and escort you to your group. However, please be notified that late arrivals may be required to wait an undetermined/lengthy amount of time for Security assistance, due to our Security department's considerable after-hours responsibilities.

- What if I have to leave early during the Zoo Adventure?

Early departures can best be facilitated during times the group is in the Education Center. Times for such departures are roughly: prior to 7:00 p.m., between 10:00 and 10:30 p.m., and between 6:30 and 7:45 a.m. Other departures would require the entire group escorting the person to the gate, which is disruptive for the program. There are no refunds due to early departures.

WHAT DOES THE ZOO ADVENTURE INCLUDE?

Please note that Zoo Adventures do not include behind-the-scenes access to animal areas or close contact to animals other than those featured in the Animal Encounter.

All Zoo Adventures include:

- A light dinner of pizza and lemonade, including coffee/tea for adults
- Opportunities to explore this large urban park at night and learn from experienced naturalists on a guided tour
- The opportunity to experience the zoo without fighting the crowds
- A hands-on encounter with a small animal such as a snake, gecko, skink, inland bearded dragon, tortoise or rat
- Free parking during your program

Overnight Adventures also include:

- A light breakfast, such as oatmeal, fresh fruit and orange juice, as well as tea/coffee for adults
- The experience of sleeping over at the zoo
- A guided morning tour on zoo grounds to see the animals
- Free admission to the zoo on the morning after your Adventure is completed

WHAT ANIMALS WILL WE SEE?

- There's no guarantee of what we'll see while prowling on zoo grounds. As in the wild, animals may choose to remain hidden, or may be off exhibit for a number of reasons. As a result, every Adventure is unique in the animals that are seen in exhibit areas.
- Because animals can often be more difficult to find in the dark, our evening tour will focus on experiencing the dark in a fun and safe environment. This is a great time to listen for animal sounds and learn more about nocturnal senses. The morning tour is generally the best time to see animals.

GENERAL FAQ

- Where will we be sleeping?

All parties participating in this event will be sleeping in either one of the classrooms or the auditorium in the Education Center, located at the South end of the zoo.

- Can I bring extra unregistered participants to the Zoo Adventure?

Usually you can bring unregistered guests and register them when you arrive, however it depends on the registered size of the group and group capacity. Please call 206.548.2424 to confirm available space for additional participants prior to the evening of the adventure. Registration fees for extra participants will be collected at the beginning of the program.

- Can families contact us in case of an emergency?

Absolutely. Your family should call Zoo Security's cell phone at 206.295.0078.

- What is the role of chaperones?

Chaperones are expected to assist instructors in monitoring and maintaining appropriate behaviors while at the zoo. During the welcome program, your instructors will outline the program's "Code of Conduct" and other important information. It is imperative that the chaperones also follow the code of conduct and behave as role models for the younger participants.

- Can I buy a Zoo Adventures patch or t-shirt?

Absolutely! To remind you of your fantastic zoo experience, buy a Zoo Adventures patch for \$1 or a glow-in-the-dark Zoo Adventures t-shirt for \$15. Cash, checks and credit cards are accepted. Sizes may be limited to stock on hand.

It is recommended to pre-order t-shirts and patches to guarantee the sizes you want are available. T-shirt orders must be placed at least three weeks in advance to guarantee sizes. To pre-order, please complete and return the order form at the end of this packet.
