

## Tickets are on sale now for Woodland Park Zoo's Tasting Flight Wine Event

*Zoo expands popular, adults-only event to two nights!*

**WHAT:** Uncork some of the Northwest's finest boutique wines at Woodland Park Zoo's after-hours, adults-only wine event, **Tasting Flight presented by Delta Air Lines. New this year**, the Tasting Flight presented by Delta Air Lines has expanded from one night to two! Each night is its own event and requires purchase of a ticket for that evening's event.

Head to the zoo's picturesque North Meadow and create your own flight of tastings from nearly 50 Northwest wineries on site. Winemakers will be on hand to answer questions and give tips to make the most of your tasting experiences. You may purchase a bottle of your favorite wine or a full glass to enjoy while visiting exhibits. The evening includes music hosted by KEXP DJs Morgan and John Richards, animal encounters, and an opportunity to take in some of the zoo's exhibits including Banyan Wilds, Northern Trail and Humboldt penguins. Proceeds from this fundraiser benefit the zoo's quality animal care, engaging education programs and field conservation projects in the Pacific Northwest and around the world.

As part of Woodland Park Zoo's commitment to sustainable practices, including waste reduction, this is a Bring Your Own Glass event (souvenir glasses may be purchased at the event while supplies last). Tasting Flight presented by Delta Air Lines at Woodland Park Zoo is for adults 21 and over only—valid ID is required for entry.
