Zoo hosts Bunny Bounce on March 31 ***A day of egg hunts for kids and Easter treats for animals***

WHAT: Hop, skip, and bounce to Woodland Park Zoo as kiddies scatter for eggs on the North Meadow and zoo animals enjoy special Easter-themed treats at the 17th annual **Bunny Bounce**.

The spring event offers fun egg hunts for children ages 1 to 8, crafts, animal encounters and eggs-citing zoo programs throughout the day. Space for egg hunts might be limited and is open on a first-come, first-served basis. As part of the zoo's conservation mission, families must bring their own egg hunt basket or reusable bag. For the health and well-being of the zoo's animals, candy is not placed inside the eggs—egg hunt participants receive their treats as they exit the zoo.

Grizzlies, meerkats, otters, penguins, and other animals nibble on specially made Easter baskets lined with flowers, berries and other favorite treats. The special treats are part of the zoo's excellent animal care program to help enrich the lives of the zoo's animals. The safe activities help encourage natural animal behavior, keep animals mentally and physically stimulated and engage zoo visitors.
