

## Join the Force! *Galactic Lights* returns to Woodland Park Zoo's WildLights

**WHAT:**

Galactic Lights is back for another out-of-this-world theme night at WildLights presented by Sound Credit Union! Travel to a galaxy far, far away on Wednesday, December 4 to meet and take photos with costumed characters of The 501st Legion: Garrison Titan. Choose the path of good or evil while participating in (faux) snowball fights in Snowmazium and don't miss the power of the Jedi through an unforgettable nighttime lightsaber show performed by Saber Guild—Kamino Temple.

Grab the whole family and check out more than 800,000 energy-efficient bright and colorful LED lights recreating wild animals and wild places across the zoo. Experience brand new wild and wonderful light displays throughout the zoo including a holiday light spectacular at the zoo's South Entrance. It's the biggest and brightest WildLights yet!

While taking in the vivid lights, sights, and sounds of WildLights, enjoy close-up animal encounters, giant Light Bright presented by Seattle City Light, carolers, and Instagrammable moments galore, including a dazzling and towering arch of lights perfect for posing under, glowing and colorful frames, a tunnel of sparkling lights and more! Plus, funds raised from each WildLights ticket go directly toward saving wildlife in the Pacific Northwest and around the world.

While the zoo's animals will be tucked in for the night, select indoor exhibits will be open to explore, such as the Adaptations Building, home to meerkats and nocturnal animals such as sloths and fruit bats. Get up close and personal with one of the zoo's ambassador animals, which will make appearances throughout WildLights!
