

Meet the cast of PAW Patrol at WildLights!

Wildly popular children's characters coming to WildLights December 11

WHAT: Head to PAW Patrol theme night at **WildLights presented by Sound Credit Union** for a night your little ones will never forget! Meet police pup Chase and fearless Skye, who teach lessons about caring for animals, a message that is reinforced through PAW Patrol's real-life partnership with the American Society for the Prevention of Cruelty to Animals. In addition to PAW Patrol favorites, meet local heroes from the Seattle Fire Department who are joining in on the fun for a meet and greet and photo opportunities with a SFD fire truck from 5:30 – 7:30 p.m.!

Grab the whole family and check out more than 800,000 energy-efficient bright and colorful LED lights recreating wild animals and wild places across the zoo. Experience brand new wild and wonderful light displays throughout the zoo including a holiday light spectacular at the zoo's South Entrance. It's the biggest and brightest WildLights yet!

Funds raised from each WildLights ticket go directly toward saving wildlife in the Pacific Northwest and around the world.

Take a night ride on the festively lit Historic Carousel, or drop by Snowmazium to build a snow creature, hear a snow story or even join a faux snowball fight! Feeling hungry? Lots of warm treats are available across the zoo, such as S'mores, hot donuts, scones, hot chocolate and other tasty selections.

While the zoo's animals will be tucked in for the night, select indoor exhibits will be open to explore, such as the Adaptations Building, home to meerkats and nocturnal animals such as sloths and fruit bats. Get up close and personal with one of the zoo's ambassador animals, which will make appearances throughout WildLights!
