

## **Creatures Great and Small: GiveBIG Supports Them All! Now Scheduling On-Site Media Visits**

SEATTLE— Are you gushing over the new baby gorilla, penguins and agouti pups? Do you have a soft spot for geriatric orangutans and parrots? We love them all, and every animal in between. If you do, too, please consider supporting nearly 1,000 animals at Woodland Park Zoo during GiveBIG!

The zoo is participating in the 2-day GiveBIG event on May 5 and May 6, 2020, and is asking for the community's help to reach a \$40,000 fundraising goal.

Woodland Park Zoo is closed to the public and is facing devastating financial impacts, but the exceptional animal care for each unique individual and species has continued. Please help support the essential, ongoing care for the animals at your zoo.

Please visit [www.givebigwa.org/woodland-park-zoo](http://www.givebigwa.org/woodland-park-zoo)

\$15 will feed a wallaby for a day, and \$500 will feed the brother grizzly bears for a week. Financial contributions of any size will directly support animals of every size!
