

Magic awaits you at first-ever WildLanterns!

Larger-than-life lantern festival coming to Woodland Park Zoo

WHAT: It's a fairytale come to life: **WildLanterns sponsored by Sound Credit Union** is the region's first holiday lantern festival, offering a larger-than-life, immersive experience that will "wow" anyone, no matter their age!

A night full of fun, light and magic awaits you — and so many memories to make and awe-inspiring sights to see! Picture this: a selfie safari through a tunnel of lanterns more than 130 feet long, or gazing up at a 15-foot tall illuminated giraffe. Begin your expedition by strolling through the Living Northwest exhibit with lanterns of animals many of us are familiar with, including grizzly bears, eagles and mountain goats. Next, march through the magical Jungle Lights exhibit, where you'll find lanterns of some of the most elusive creatures, such as snow leopards, tigers and gorillas. Your journey then takes a dive into the depths of the SeaMazium exhibit, filled with underwater and aquatic creatures, including sea turtles, jellyfish and seals. Finally, safari the African Savanna exhibit and discover herds of giraffe, zebra and much more!
