

# JAGUAR PUMPKIN CARVING

---

**Jaguars** are the largest cats in the Western Hemisphere—and the third largest in the world. Their fur is usually tan or orange with black spots called “rosettes”, but some jaguars are so dark their spots can’t be seen. These big cats are excellent swimmers. They can hunt in the water and can also climb trees to ambush prey with one powerful bite.

---

## ***To carve your pumpkin:***

1. Print out the template below (resize if needed).
2. Tape the template onto your pumpkin.
3. Trace the design by poking small holes along the edges of the shapes using a pen or awl.
4. Cut along the edges of the shapes with a carving tool.
5. Share your pictures with us by tagging **#WoodlandParkZoo**, we can’t wait to see your creations!
6. Hope your Halloween is paw-some!
