PALM OIL TREAT CHALLENGE

Take the Sweet Treat Challenge!

We can all do our part to make sure our palm oil is sustainable and deforestation-free to protect wildlife. We dare you to take the Sweet Treat Challenge!

.....

Choose three of your favorite candies or sweets to start. Write them down, and if you can, find the company that makes the candy or sweet treat. *Example: Snickers is made by Mars and Oreos are made by Nabisco.*

Check to see if the company is a member of the Roundtable on Sustainable Palm Oil and is committed to using certified, sustainable palm oil. There are a few ways to do that: You can visit zoo.org/palmoil, you can look for the RSPO trademark logo or you can download the Cheyenne Mountain Zoo Sustainable Palm Oil Shopping App.

PALM OIL SCAVENGER HUNT

Trick or Treat?

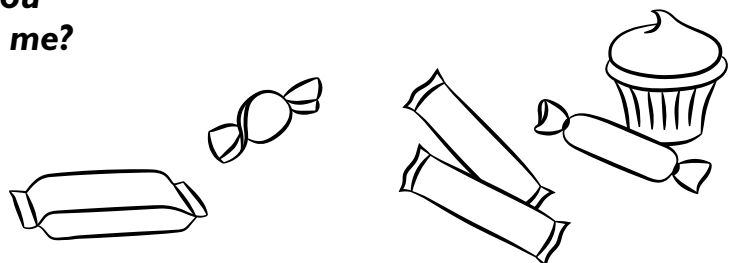

Palm oil has many nicknames, which sometimes make it hard to spot on an ingredients list. Take a look at some of the labels in your home to see if you can find any of these words:

- ☐ Elaeis Guineensis
- ☐ Hydrated palm glycerides
- ☐ Palmate
- ☐ Partially Hydrogenated Palm Oil (PHPKO)
- ☐ Cetyl palmitate
- ☐ Octyl palmitate
- ☐ Palm Oil

Bonus: How many products can you find that use sustainable palm oil or have the Roundtable for Sustainable Palm Oil (RSPO) Logo?
