#### **WHAT:**

Woodland Park Zoo remains open for daytime visits and for evening explorations at the all-new WildLanterns holiday event. In accordance with new Washington state restrictions, indoor food services will be closed through December 14, 2020. Grab-and-go and outdoor food options will remain available.

The ZooStore will limit capacity to 25% in compliance with the new retail restrictions. The zoo has already been operating at <25% capacity to assure social distancing and has many enhanced safety protocols in place including mask requirements, one-way paths and frequent cleaning.
