WHAT: Pull out your shovels and hoes, it's Zoo Doo time! Woodland Park Zoo is kicking off its annual **Spring Fecal Fest!** Starting today through March 15, gardening gurus can enter online for the chance to purchase the exotic, highly coveted Zoo Doo.

Dr. Doo, aka the Princess of Poo, the GM of BM, or the Captain of Caca, has been piling **Zoo Doo** for the last several months, and the compost is ready for spring planting. Zoo Doo is perfect for growing veggies and annuals.

The sweet, aromatic Zoo Doo is composed of species feces contributed by a variety of the zoo's non-primate herbivores including tapirs, pudus, mountain goats, rhinos, hippos, giraffes, zebras and more.

During the Spring Fecal Fest, Zoo Doo will be available starting at 10 gallons to a maximum of 100 gallons or by the truck load.

As a conservation organization, Woodland Park Zoo is committed to reducing its own ecological footprint and educating the community in doing the same. The Zoo Doo program is central to the zoo's goal of increasing waste diversion from landfill and demonstrating closed loop approach to integrated resource management.
