Challenge Rules:

- **One card per person.** Group or team participation is welcome for fun, but only individual cards are eligible for rewards.
- **Complete rows** of five fundraising, species-saving and zoo-experience challenges across, down or diagonally.
- **One action = one square.** Each square must be completed with a separate activity. You're welcome to complete multiple zoo-based tasks in a single visit. For example, you can ride the carousel, take a selfie with an animal statue and bring a friend all on the same day. **However, for any square that says, "Join us for a Zoo Event," each one must be fulfilled by attending a different event.** No double-counting a single event for multiple squares.
- **Some tasks may require purchase.** We've designed the challenge to be accessible, but some squares may involve buying a ticket, attending an event, or giving or raising money to support the zoo. Your support through this campaign helps support the zoo and our world-class animal care, species-saving projects and education programs!
- **All ages are welcome!** Adults must submit cards on behalf of participants under age 13.
- **Be honest!** We count on our community to complete actions on the honor system. This is a fun challenge with supporting your zoo at heart.
- **Submit completed cards by October 10, 2025** by email (donations@zoo.org), in person at a zoo admissions window, or by mail:
Woodland Park Zoo
5500 Phinney Ave N
Seattle, WA 98103

Entries must be received (not just postmarked) by October 10, 2025 to earn rewards, so if mailing your card, please plan accordingly!
