

Hello,

Thank you for your interest in Woodland Park Zoo Camps! We understand that the cost of our camps may be a barrier to having your child or children attend camp. We offer four tiers of scholarship 25%, 50%, 75% and 100% your award is based on income and additional factors. Our scholarships are awarded to families who meet our criteria on a first-come-first-served basis. These scholarships can be applied to any of our camp tiers (Bear Cub, Black Bear, and Grizzly Bear).

This year (2020), we are delighted to have additional scholarship funds available to eligible families. Due to yearly fluctuations in our scholarship fund, and the number of families requesting scholarships, we are not always able to provide a scholarship to every family who applies. This means that if you have had a scholarship in the past, you may not receive one in 2020, and if you receive one this year, you may not receive one in the future. Thank you for your understanding.

To apply for a camp scholarship, please complete and return our scholarship application, including any additional information you wish for us to consider when reviewing your application. After receiving your application, we may reach out to you to provide additional information. Once we have your completed application, we will contact you with our offer and provide instructions for signing up for camp. To provide scholarships to as many families as possible, every child listed on the application will be eligible for a maximum of one week of camp scholarship. If additional funds are remaining after providing scholarships to every eligible family, we may reach out to our highest-need families to offer them a second week of camp.

Sincerely,

Camps Registrar | WOODLAND PARK ZOO

2020 SCHOLARSHIP APPLICATION

Classes and Camps

Woodland Park Zoo is pleased to provide limited scholarship opportunities for eligible families towards zoo classes or day camp programs. Scholarship applications are accepted throughout the year, however, the majority of available funds are typically awarded by early to mid-April.

Please understand that even if your application is accepted, Woodland Park Zoo is not always able to award the full requested scholarship amount and we may contact you with a partial scholarship award. Unfortunately, due to the volume of applications received, we are unable to guarantee scholarships for all eligible families.

Requestor Information

Adult Contact Name		Relationship to Child/Children	
Phone	Mobile Phone	Email
