

CHAPERONE SHEET

WOODLAND PARK ZOO VISIT PREPERATION

Thank you for being a chaperone for our field trip! Your priority is the student group that you are with – these students need your full attention. You are responsible for their safety and for ensuring that they have an enjoyable, engaging learning experience. **It is required that you stay with your group at all times.**

Your students are:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

Please review with your students before you arrive at the zoo:

Animal Viewing Tips:

- Be patient, look all around the exhibit (up, down, by bushes, etc.). It may take a few moments for you to see them. Animals are fantastic at blending into their environments.
- Use quiet voices. Loud noises sometimes make the animals nervous.
- If an animal is not visible, they may be temporarily inside or sleeping. Check back a little later.

Zoo Do's – and a Few Don'ts:

- DO have a great time!
- DO understand that animals need rest and privacy – just like humans. All animals have access to off-exhibit areas and may not always be visible. Check back later.
- DO help us keep the zoo clean by placing all litter in trash, recycling, and compost receptacles.
- DO stay on visitor pathways. Watch students a railings and fences! Zoo exhibits are designed to protect both you and our animals.
- DON'T feed the animals! Zoo animals are fed a carefully balanced diet.
- DON'T crowd the peacocks. Chasing or cornering them may make them scared and nervous, resulting in difficult behavior.
- DON'T bring radios, skateboards, balls, balloons, Frisbees, scooters, straws or skates.

Lunch and Departure Information:

Lunch Location -	Departure Location – Lion Lot (South end of the zoo)
Lunch Time -	Departure Time -

Zoo Visit Tips:

- Programs, such as keeper talks, are offered at various places within the zoo. Visit <https://map.zoo.org> to view the schedule of events, interactive map, and information about our animals.
- **First Aid** and **Lost & Found** are located at Guest Services (206.548.2604) by the South and West Entrances. If you have questions or need assistance, please do not hesitate to ask zoo staff.
